IMPORTANT NOTICE TO POLICYHOLDERS

TERRORISM RISK INSURANCE ACT

This Important Notice is being provided with your policy to further satisfy the disclosure requirements of the Terrorism Risk Insurance Act.

At the time you received the written offer for this policy, we provided you with an Important Notice to Policyholders indicating that the insurance provided in your policy for losses caused by certain acts of terrorism (as defined in the Terrorism Risk Insurance Act) would be partially reimbursed by the United States of America, pursuant to the formula set forth in the Terrorism Risk Insurance Act. In addition, as required by the Terrorism Risk Insurance Act, we:

- indicated that we would make available insurance for such losses in the same manner as we provide insurance for other types of losses;
- specified the premium we would charge, if any, for providing such insurance; and
- except to the extent prohibited by law, gave you the opportunity to reject such insurance and have a terrorism exclusion, sublimit or other limitation included in your policy.

This Important Notice refers back to that Important Notice and provides information about your decision and the manner in which your policy has been subsequently modified.

If:

- You rejected terrorism insurance under the Terrorism Risk Insurance Act, your policy includes the appropriate amendatory endorsement(s).
- You did not reject terrorism insurance under the Terrorism Risk Insurance Act, the premium charged for your policy, including that portion applicable to terrorism insurance under the Terrorism Risk Insurance Act, is shown in your policy. To the extent your policy includes a limitation on terrorism insurance, it has been modified so that such limitation does not apply to terrorism insurance under the Terrorism Risk Insurance Act.

Please carefully review your policy and the Important Notice previously provided to you for further details. Please remember that only the terms of your policy establish the scope of your insurance protection.

Please note that if your policy:

- ***provides commercial property insurance in a jurisdiction that has a statutory standard fire policy, the premium we charge for terrorism insurance under the Terrorism Risk Insurance Act, includes an amount attributable to the insurance provided pursuant to that standard fire policy. Rejection of such statutory insurance is legally prohibited.***
- ***is a workers compensation policy, rejection of insurance for terrorism is legally prohibited.***

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Loss Payment Basis

Subject to the applicable Limit Of Insurance shown in the Declarations:

- A. **covered property** is valued on a replacement cost basis as described below, unless:

 - 2. otherwise stated under Loss Payment Basis Exceptions; and
- B. valuation also includes costs you incur as described below under Brands And Labels, Construction Fees, Green Standards, Ordinance Or Law, Extended Warranties and Safety Enhancements.

Replacement Cost Basis

Damaged **covered property** will be valued at the lesser of the following:

- the amount you actually spend to repair or replace the damaged **covered property**;
- the cost at the time of the **breakdown** to repair or replace the damaged **covered property** with property of like kind, capacity, size and quality; or

- replacement cost at the time of loss or damage; or
- actual costs you incur to repair or replace.

Payment under Replacement Cost Basis will not be made until the completion of the repairs or the replacement of the **covered property**.

Loss Payment Basis*(continued)***Actual Cash Value Basis**

- physical depreciation;
- obsolescence; and
- depletion.

Brands And Labels

Personal property valuation includes the cost of:

In the event of damage to **stock**, you have two options when:

- you do not want to sell your damaged **stock** under your brand or label; or
- the owner of any damaged **stock** in your care, custody or control does not want to sell that damaged **stock** under the owner's brand or label,

even though the damaged **stock** has salvage value, you may:

- remove the brand or label and then relabel the damaged **stock** to comply with the law; or
- label the damaged **stock** as "salvage" but, in doing so, cause no further damage to the **stock**.

In either case, the **personal property** valuation will include the difference between:

- the salvage value of the damaged **stock** with the brand or label attached; and
- the salvage value of the damaged **stock** with the brand or label removed.

If a maximum value for brands and labels is shown in the Declarations, then, subject to the applicable Limits Of Insurance shown in the Declarations, such maximum value is the most we will consider under Brands And Labels Loss Payment Basis.

- a **breakdown**; and
- an excluded peril,

the valuation will not include the **green standards** costs attributable to the excluded peril. Instead, the valuation will be based on that portion of such costs equal to the proportion that the covered direct physical damage bears to the total direct physical damage, not including **green standards** costs, unless the **green standards** apply solely to that portion of the **covered property** which suffered the covered direct physical damage.

The Loss Payment Basis does not include any increase in costs, loss or damage:

- to clean up or remove **pollutants** from land, water or air, either inside or outside of a **building**;
- to clean up, remove, restore or replace **covered property** because of the presence of **fungus**, either inside or outside of a **building**;

(continued)

- b. for paved or concrete surfaces, retaining walls, foundations or supports below the surface of the lowest floor or basement;
 - c. incurred outside the legal property boundary of any premises shown in the Declarations;
 - d. if **covered property** is valued on an actual cash value basis; or
 - e. attributable to any ordinance or law that you were required to, but failed to, comply with before the physical damage; or
- B. do not repair or replace the **covered property**, the valuation will include the:
- 1. actual cash value of the damaged and undamaged portions of the **covered property**; and
 - 2. cost to demolish and clear the site of the undamaged portion of the **covered property**.

When direct physical damage is caused by or results from both:

- a **breakdown**; and
- an excluded peril,

the valuation will not include the Ordinance Or Law costs attributable to the excluded peril. Instead, the valuation will be based on that portion of such costs equal to the proportion that the covered direct physical damage bears to the total direct physical damage, not including Ordinance Or Law costs, unless the Ordinance Or Law applies solely to that portion of the **covered property** which suffered the covered direct physical damage.

If a maximum value for ordinance or law is shown in the Declarations, then, subject to the applicable Limits Of Insurance shown in the Declarations, such maximum value is the most we will consider under Ordinance Or Law Loss Payment Basis.

Extended Warranties

Personal property valuation includes the pro rata portion of the original cost based on the period of time remaining in your nonrefundable extended warranties, maintenance contracts or service contracts that you purchased and which are no longer valid on damaged **personal property** that you repair or replace.

Safety Enhancements

If you elect or we require that the repair or replacement of damaged **mechanical or electrical system or apparatus** be done in a manner that:

- improves the health and safety of workers or the public; or
- reduces the risk of loss or damage to property because of a **breakdown**,

while maintaining the existing function, then the valuation will include an additional 25% of the property damage amount otherwise recoverable for the **mechanical or electrical system or apparatus**.

Electronic data is valued on the full cost of replacement or reproduction at the time of direct physical damage when the **electronic data** is actually replaced or reproduced.

No one may bring a legal action against us under this policy unless:

- there has been full compliance with all of the terms of this insurance; and
- the action is brought within 2 years and one day from the date the cause of action first accrues. A cause of action first accrues on the date of the initial breach of our contractual duties alleged in the action.

Loss Payment

- A. If we notify you that payment of a claim or part of a claim will be made, we must make payment within five **business days** after notification to you. We will pay for covered direct physical loss or damage within five **business days** after we receive the sworn proof of loss, if you have complied with all of the terms of this insurance; and
 1. we have reached agreement with you on the amount of loss; or
 2. an appraisal award has been made.
- B. We will not pay you more than your financial interest in the covered property.
- C. We may adjust losses with the owners of lost or damaged covered property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' covered property. We will not pay the owners more than their financial interest in such property.
- D. We may elect to defend you against suits arising from claims of owners of covered property. We will do this at our expense.

**Mortgage Holder –
Buildings**

We will pay for loss or damage to **building** jointly to you and the mortgage holder shown in the Schedule of Mortgagees and Loss Payees, as interests may appear.

Your mortgage holder has the right to receive loss payment, even though:

- your mortgage holder starts foreclosure or similar actions on the **building**,

if such mortgage holder:

- pays any premium due at our request if you have failed to do so;
- submits a signed, sworn proof of loss within 91 days after receiving notice from us of your failure to do so, and
- has notified us of any change in ownership, occupancy or substantial change in risk known to such mortgage holder.

Conditions

Mortgage Holder – Buildings (continued)

We also have the right to take over your mortgage after making loss payment to the mortgage holder. If we do, you will pay your remaining mortgage debt to us.

If you fail to pay your premium, we may request it from your mortgage holder.

The mortgage holder must notify us of any change in ownership known to the mortgage holder.

If we or the insured cancel this insurance, we will give written notice to the mortgage holder at least:

- 20 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
- 60 days before the effective date of cancellation if we cancel for any other reason.

To satisfy the requirements of any mortgage holder shown in the Schedule of Mortgages and Loss Payees, copies of policies or certified copies of policies may be sent to these mortgage holders. In no event are copies of policies sent to mortgage holders to be considered as increasing the Limits Of Insurance shown in the Declarations or changing the terms of this insurance, nor are they to be considered duplicate or contributing insurance.

When We Do Not Renew

We may elect not to renew this policy for any reason. However, we may not refuse to renew this policy solely because you are an elected official.

If we decide not to renew this policy, we will mail or deliver to the first named insured written notice of nonrenewal, along with the reason for nonrenewal, at least 60 days before the expiration date. If notice is mailed or delivered less than 60 days before the expiration date, this policy will remain in effect until the 61st day after the date on which the notice is mailed or delivered. Earned premium for any period of coverage that extends beyond the expiration date will be computed pro-rata based on the previous year's premium.

If this policy insures a condominium association whose Condominium Declaration is recorded and otherwise conforms with the Uniform Condominium Act, our notice of nonrenewal will be mailed 30 days before the effective date of nonrenewal to:

- the first named insured; and
- each unit owner to whom we issued a certificate of insurance,

at their last known address.

Any notice of nonrenewal will be mailed or delivered to the named insured's last known address. If notice is mailed, proof of mailing will be sufficient proof of notice.

The transfer of a policyholder between admitted companies within the same insurance group is not considered a refusal to renew.

The following applies if we elect not to renew on one and two family dwellings or governmental units:

If we fail to give the first named insured proper notice of our refusal to renew, the first Named Insured may require us to renew the policy.

We will not refuse to renew property coverage solely because of claims for losses resulting from natural causes.
