First Report of Injury - Society.pdf;

Denise,

Thanks for giving us a call, and while I'm sorry to hear about the employee injury, I appreciate you communicating it quickly. To turn in a worker's compensation claim, please complete the attached notice of first report. After you've completed the notice of first report, you can either email it to claims@societyinsurance.com or fax the report to 920-922-1071. I would also suggest reaching out to Society's Nurse Triage hotline 24 hours a day, 7 days a week at 877-501-3050 to speak to a nurse regarding the injuries and need for treatment, or to report a claim. A copy of the claim report will be provided to you for your records.

Working with nurse triage is proven to be an effective way to most importantly help you employee, but also lower claims' costs.

If you have any questions whatsoever, please don't hesitate to reach out.

Thank you!

My Best,
