Policy no.

Policy period
2/6/23 to 4/7/23

Dear Policyholder,

Thank you for allowing Texas Mutual Insurance Company the privilege of providing your workers' compensation insurance coverage. Our records show that your policy with us will expire soon. Please be aware that your coverage with Texas Mutual is not automatically renewed.

We may ask you or your agent for additional information to offer you a competitive renewal quote. Without this information, we will be unable to offer you a quote and coverage will end when the policy expires on 4/7/23. If we offer you a renewal quote, it will include the proposed premium, payment terms and acceptance instructions for issuance of a renewal policy.

Texas Labor Code Section 406.008(a)(1) requires us to notify you that: If a renewal quote is offered and you do not accept before your coverage expires, we will not renew your existing policy. This letter serves as that notice. We have also sent a notice to your agent.

If you have any questions, please contact your agent, or call us at (800) 859-5995. Thank you again for giving us the opportunity to serve you. We look forward to continuing to earn your business.

Sincerely,

Lisa Lyngos
Underwriting Department

Important Notice: Your policy provides coverage for claims made by Texas employees for Texas benefits only. If you have employees that need workers' compensation coverage in other states, notify your agent immediately.
