Hello All!

American Revelry is Tim's restaurant downstairs from our Corporate office. I would not be the contact for the restaurant or deal with any of their loss runs or letters of compliance. Any and all questions/issues with American Revelry should go to the chef, Denise Shavandy and her email is: [denise@americanrevelry.com](mailto:denise@americanrevelry.com). Sorry I cannot be of more assistance on this but all of these matters would be something the restaurant would handle themselves.

Thanks!!  
Amanda

Good afternoon, Amanda.

A Loss Control Inspection was recently conducted at 279 W Hidden Creek Pkwy, Burleson, TX 76028-6077. The inspector with Society Insurance has returned

with the following recommendations at this time:

- Regular cleaning maintenance of kitchen hood & duct, pizza oven, fire hazard regarding kitchen apparel items

The carrier requires a written and signed compliance letter stating that these items have been complied with. In the event the recommendation requires extensive work, a written statement with the schedule and plan for repairs will suffice, followed by confirmation at a later date once the work has been completed along with copies of receipts for the completed work. Please note the carrier is requiring a response by date.

If a response is not received, the carrier may cancel the policy. Please let us know if you have any questions.

*Have a great day!*
