DISCLOSURE/CAP ON LOSSES - TERRORISM RISK INSURANCE ACT

POLICY NUMBER: 46 SBA AX2E8D

SCHEDULE

Terrorism Premium:

\$704.00

A. Disclosure Of Premium

In accordance with the federal Terrorism Risk Insurance Act, as amended (TRIA), we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for "certified acts of terrorism" under TRIA. The portion of your premium attributable to terrorism coverage is shown in the above Schedule of this endorsement.

B. The following definition is added with respect to the provisions of this endorsement:

1. A "certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of TRIA, to be an act of terrorism under TRIA. The criteria contained in TRIA for a "certified act of terrorism" include the following:
 - a. The act results in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to TRIA; and
 - b. The act results in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of an United States mission; and
 - c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion

C. Disclosure Of Federal Share Of Terrorism Losses

The United States Department of the Treasury will reimburse insurers for 80% of insured losses attributable to "certified acts of terrorism" under TRIA that exceeds the applicable insurer deductible:

However, if aggregate industry insured losses attributable to "certified acts of terrorism" under TRIA exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion. The United States government has not charged any premium for their participation in covering terrorism losses.

D. Cap On Insurer Liability for Terrorism Losses.

If aggregate industry insured losses attributable to "certified acts of terrorism" under TRIA exceed \$100 billion in a calendar year and we have met, or will meet, our insurer deductible under TRIA, we shall not be liable for the payment of any portion of the amount of such losses that exceed \$100 billion. In such case, your coverage for terrorism losses may be reduced on a pro-rata basis in accordance with procedures established by the Treasury, based on its estimates of aggregate industry losses and our estimate that we will exceed our insurer deductible. In accordance with the Treasury's procedures, amounts paid for losses may be subject to further adjustments based on differences between actual losses and estimates.

THIS ENDORSEMENT IS ATTACHED TO AND MADE PART OF YOUR POLICY IN RESPONSE TO THE DISCLOSURE REQUIREMENTS OF THE TERRORISM RISK INSURANCE ACT.

E. Application of Other Exclusions

The terms and limitations of any terrorism exclusion, the inapplicability or omission of a terrorism exclusion, or the inclusion of terrorism coverage, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Form, Coverage Part or Policy, such as losses excluded by any Pollution Exclusions, Nuclear Hazard Exclusions and the War And Military Action Exclusions.

F. All other terms and conditions remain the same.
