

IMPORTANT NOTICE TO POLICYHOLDERS

This Important Notice is not your policy. Please read your policy carefully to determine your rights, duties, and what is and what is not covered. Only the provisions of your policy determine the scope of your insurance protection.

THIS IMPORTANT NOTICE PROVIDES INFORMATION CONCERNING POSSIBLE IMPACT ON YOUR INSURANCE COVERAGE DUE TO COMPLIANCE WITH APPLICABLE TRADE SANCTION LAWS.

PLEASE READ THIS NOTICE CAREFULLY.

Various trade or economic sanctions and other laws or regulations prohibit us from providing insurance in certain circumstances. For example, the United States Treasury Department's Office of Foreign Asset Control (OFAC) administers and enforces economic and trade sanctions and places restrictions on transactions with foreign agents, front organizations, terrorists, terrorists organizations, and narcotic traffickers. OFAC acts pursuant to Executive Orders of the President of the United States and specific legislation, to impose controls on transactions and freeze foreign assets under United States jurisdiction. (To learn more about OFAC, please refer to the United States Treasury's web site at <http://www.treas.gov/ofac>.)

To the extent that you or any other insured, or any person or entity claiming the benefits of this insurance has violated any applicable sanction laws, this insurance will not apply.

We have added a condition or section that applies to the entire policy called Compliance With Applicable Trade Sanctions, which stipulates that your insurance policy does not apply to the extent that trade or economic sanctions or other laws or regulations prohibit us from providing insurance.

Exclusion**

This insurance does not apply to loss or damage caused directly or indirectly by a **certified act of terrorism**, regardless of any other cause or event that contributes:

- concurrently; or
- in any sequence,

to the loss or damage.

This Certified Act Of Terrorism exclusion does not apply to ensuing loss or damage caused by or resulting from fire. This exception for fire applies:

- only to direct physical loss or damage by fire to covered property. Therefore, for example, the exception does not apply to insurance provided under Rigger's Legal Liability coverage; and

Inland Marine Insurance
(continued)

Application Of Other Exclusions

The terms and limitations of any terrorism exclusion or sublimit, or the inapplicability or omission of a terrorism exclusion or sublimit, do not serve to create coverage for any loss which would otherwise be excluded or sublimited under this policy, such as losses excluded by the Nuclear Hazard exclusion or the War And Military Action exclusion.

Ordinance Or Law Loss Payment Basis

The Ordinance Or Law Loss Payment Basis provision does not apply to loss or damage caused by or resulting from fire which ensues from a **certified act of terrorism**.

Ensuing Fire Loss Payment Basis Exception

Covered property which suffers direct physical loss or damage caused by or resulting from fire which ensues from a **certified act of terrorism** is valued on an actual cash value basis, subject to all other exceptions described under Loss Payment Basis Exceptions.

Cap On Ensuing Fire Resulting From Certified Terrorism Losses

If:

- aggregate insured losses attributable to one or more **certified acts of terrorism** under the **terrorism law** exceed \$100 billion in a calendar year; and
- we have met our insurer deductible under the **terrorism law**,

we will not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

A new section titled Terrorism Definitions is added.

Marine Conditions**

The following Conditions apply to all Contracts contained within the Inland Marine Insurance Section of this policy.

In this event, you will select and pay a competent and impartial appraiser, and we will select and pay a competent and impartial appraiser. The two appraisers will select an umpire. If the appraisers cannot agree on an umpire, either may request that a judge of a court having jurisdiction make the selection. Each appraiser will separately state the value of the property and the amount of the loss or damage. If the appraisers do not agree, they will submit their statements to the umpire. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair our rights.

You may waive your rights against another party in writing:
