## Notice of terrorism insurance coverage

Coverage for acts of terrorism is already included in workers' compensation policies. Losses resulting from certified acts of terrorism, as defined under the Terrorism Insurance Act of 2002, as amended ("the Act"), would be partially reimbursed by the U.S. Government. If the aggregate industry Insured Losses occurring in any calendar year exceed \$200,000,000, the U.S. Government would pay 80% of our Insured Losses that exceed our Insurer Deductible. The Act provides an annual cap on liability that limits the U.S. Government's payment as well as our liability for any amount of losses from certified acts of terrorism that, in the aggregate for the industry, exceeds \$100,000,000,000 in a calendar year. The portion of your quoted premium that is attributable to coverage for acts of terrorism is \$0 and does not include any charges for the portion of losses covered by the U.S. Government under the Act.

**Thank you for your business!**
