MINIMUM EARNED PREMIUM MINIMUM AND DEPOSIT PREMIUM

The following terms are often misunderstood, particularly among insureds or producers not accustomed to dealing with surplus lines insurance companies. It is important that the definitions are understood.

MINIMUM AND DEPOSIT

This is the amount of premium due at inception. Although the policy is subject to adjustment based on a rate per exposure unit, under no circumstances will the annual earned premium be less than the minimum premium. Therefore, the policy may generate an additional premium on audit, but not a return.

If such a policy is cancelled mid-term, the earned premium is the GREATER of the annual minimum times the short rate or pro-rata factor, or the actual earned premium as determined by audit, subject to a short rate penalty if applicable.

MINIMUM EARNED PREMIUM

A minimum earned premium endorsement can be attached to either a flat charge policy or an adjustable policy. In either case, this amount is the LEAST that will be retained by the insurance company once the policy goes into effect. The amount retained would be the GREATER of the actual earned premium whether calculated on a pro-rate or short rate basis, or the minimum earned premium.

FLAT CANCELLATIONS

Surplus lines insurance companies normally do not allow flat cancellations. Once the policy is in effect, some premium will be earned. The collection and payment of premium are the responsibility of the retail agent.

If you need further explanation, please do not hesitate to contact us.

INSURING AGREEMENT - SECTION B**INSURING CLAUSE**

In consideration of the payment of premium as specified in the Schedule, and subject to the terms, conditions and exclusions of this Policy, the Underwriters agree to cover the Property Insured against risks of direct physical loss or physical damage occurring during the Period of Insurance.

TERRITORY

This Policy covers Insured Locations situated within the Territory specified in the Schedule.

INSURED LOCATION

A. The coverages under this Policy apply to an Insured Location unless otherwise provided.

Insured Location is a location:

1. listed on a schedule on file with the Underwriters.
2. covered as a Miscellaneous Unnamed Location.
3. covered under the terms and conditions of the Automatic Coverage or Errors and Omissions provisions.

B. The term Location wherever used in this Policy means:

1. as specified in the schedule of locations, except for Miscellaneous Unnamed Locations;
or
2. if not so specified or if a Miscellaneous Unnamed Location, a building, yard, dock, wharf, pier or bulkhead (or any group of the foregoing) bounded on all sides by public streets, clear land space or open waterways, each not less than fifty feet wide. For the purpose of this provision any bridge or tunnel crossing such street, space or waterway will render such separation inoperative.

LIMIT OF LIABILITY

The Underwriters' maximum liability in a single Occurrence regardless of the number of Locations or coverages involved will not exceed the Policy limit of liability as specified in the Schedule. However, when a sub-limit of liability for a Location or other specified property or coverage is shown, such sub-limit will be the maximum amount payable for any loss or damage arising from physical loss or damage at such Location or involving such other specified property or such coverage.

The sub-limits of liability specified in the Schedule and as may be specified elsewhere in this Policy are program sub-limits of liability and are part of and not in addition to the program limit of liability over this Policy and all other program policies combined.

The sub-limits of liability specified in the Schedule apply in the aggregate on a per Occurrence basis, unless otherwise specified, for all Locations and coverages combined.

The Underwriters' maximum liability (or sub-limit of liability) in a single Occurrence regardless of the number of Locations or coverages involved will not exceed the Policy limit of liability as specified in the Schedule. When a limit of liability for a Location or other specified property or coverage is shown, such limit will be the maximum amount payable for any loss or damage arising from physical loss or damage at such Location or involving such other specified property or coverage.

DEDUCTIBLES

In each case of loss covered by this Policy, the Underwriters will be liable only if the Insured sustains a loss in a single Occurrence greater than the applicable deductible specified in the Schedule, and only for its share of that greater amount.

Unless otherwise stated below:

- A. When this Policy insures more than one location, the deductible will apply against the total loss covered by this Policy in any one Occurrence.
- B. If two or more deductibles provided in this Policy apply to a single Occurrence, the total to be deducted will not exceed the largest deductible applicable, unless otherwise provided.

However, any deductibles applicable to Time Element coverages shall apply in addition to the applicable property damage deductible.

OCCURRENCE DEFINITION

The term Occurrence wherever used in this Policy means the sum of all individual losses or series of individual losses resulting from or arising out of and directly occasioned by any one insured event regardless of the number of Insured Locations affected. Occurrence so defined shall be limited to:

- A. 72 consecutive hours as regards a hurricane, a typhoon, windstorm, rainstorm, hailstorm and/or tornado;
- B. 72 consecutive hours as regards Earth Movement;
- C. 72 consecutive hours and within the limits of one city, town or village as regards riots, civil commotions and malicious damage;
- D. 72 consecutive hours as regards any Occurrence which includes individual loss or losses from any of the causes mentioned in A, B and C above;

and no individual loss from whatever insured cause, which occurs outside these periods or areas, shall be included in that Occurrence.

The Insured may choose the date and time when any such period of consecutive hours commences and if any event is of greater duration than the above period, the Insured may divide that event into two or more Occurrences provided no two periods overlap and provided no period commences earlier than the date and time of the happening of the first recorded individual loss to the Insured in that event during the Period of Insurance.

PROPERTY DAMAGE - SECTION C**PROPERTY INSURED**

This Policy insures the following property, unless otherwise excluded elsewhere in this Policy, located at an Insured Location or within 1,000 feet thereof, to the extent of the interest of the Insured in such property.

- A. Real Property, including new buildings and additions under construction at an Insured Location, in which the Insured has an insurable interest.
- B. Personal Property:
 - 1. owned by the Insured, including the Insured's interest as a tenant in improvements and betterments. In the event of insured physical loss or damage, the Underwriters agree to accept and consider the Insured as sole and unconditional owner of improvements and betterments, notwithstanding any contract or lease to the contrary.
 - 2. of officers and employees of the Insured.

3. of others in the Insured's custody to the extent the Insured is under obligation to keep insured for physical loss or damage insured by this Policy.
4. of others in the Insured's custody to the extent of the Insured's legal liability for insured physical loss or damage to Personal Property. The Underwriters will defend that portion of any suit against the Insured that alleges such liability and seeks damages for such insured physical loss or damage. The Underwriters may, without prejudice, investigate, negotiate and settle any claim or suit as the Underwriters deem expedient.

This Policy also insures the interest of contractors and subcontractors in insured property during construction at an Insured Location or within 1,000 feet thereof, to the extent of the Insured's legal liability for insured physical loss or damage to such property. Such interest of contractors and subcontractors is limited to the property for which they have been hired to perform work and such interest will not extend to any Time Element coverage provided under this Policy.

PROPERTY EXCLUDED

This Policy excludes:

- A. currency, money, precious metal in bullion form, notes, or securities.
- B. land, water or any other substance in or on land; except this exclusion does not apply to:

1. are subject to the applicable limit or sub-limit of liability;
2. will not increase the Policy limit of liability; and

3. are subject to the Policy provisions, including applicable exclusions and deductibles, all as shown in this section and elsewhere in this Policy.

ACCOUNTS RECEIVABLE

This Policy covers any shortage in the collection of accounts receivable, resulting from insured physical loss or damage to accounts receivable records while anywhere within the Territory stated in the Schedule, including while in transit in such territory. The Underwriters will be liable for the interest charges on any loan to offset impaired collections pending repayment of such sum uncollectible as the result of such loss or damage. Unearned interest and service charges on deferred payment accounts and normal credit losses on bad debts will be deducted in determining the recovery.

1. In the event of loss to accounts receivable records, the Insured will use all reasonable efforts, including legal action, if necessary, to effect collection of outstanding accounts receivable.
2. The Insured agrees to use any suitable property or service:
 - (a) owned or controlled by the Insured; or
 - (b) obtainable from other sources,in reducing the loss under this Additional Coverage.
3. This Policy covers any other necessary and reasonable costs incurred to reduce the loss, to the extent the losses are reduced.
4. If it is possible to reconstruct accounts receivable records so that no shortage is sustained, the Underwriters will be liable only for the reasonable and necessary cost incurred for material and time required to re-establish or reconstruct such records, and not for any costs covered by any other insurance.
5. Accounts Receivable Exclusions: The following exclusions are in addition to the Exclusions clause of this section:

This Additional Coverage does not insure against shortage resulting from:

 - (a) bookkeeping, accounting or billing errors or omissions; or
 - (b) (i) alteration, falsification, manipulation; or

6. The settlement of loss will be made within 90 days from the date of physical loss or damage. All amounts recovered by the Insured on outstanding accounts receivable on the date of loss will belong and be paid to the Underwriters up to the amount of loss paid by the Underwriters. All recoveries exceeding the amount paid will belong to the Insured.

AUTOMATIC COVERAGE

This Policy covers property of the type insured by this Policy at any Location rented, leased or purchased by the Insured after the inception date of this Policy. This coverage applies from the date of rental, lease or purchase.

This Additional Coverage does not apply to property insured in whole or in part by any other insurance policy.

This coverage will apply until whichever of the following occurs first:

1. The Location is agreed to be insured by the Underwriters.
2. Agreement is reached that the Location will not be insured under this Policy.

3. The Time Limit specified in the Schedule has been reached. The Time Limit begins on the date of rental, lease or purchase.

BRANDS AND LABELS

If branded or labeled Property Insured by this Policy suffers insured physical damage and the Underwriters elect to take all or any part of that property, the Insured may at the Underwriters' expense:

1. stamp "salvage" on the property or its containers; or
2. remove or obliterate the brands or labels,

if doing so will not damage the property. In either event, the Insured must relabel such property or its containers to be in compliance with any applicable law.

CONSEQUENTIAL REDUCTION IN VALUE

This Policy covers the reduction in value of insured merchandise that is a part of pairs, sets, or components, directly resulting from physical loss or damage insured by this Policy to other insured parts of pairs, sets or components of such merchandise. If settlement is based on a constructive total loss, the Insured will surrender the undamaged parts of such merchandise to the Underwriters.

CONTROL OF DAMAGED PROPERTY

This Policy gives control of insured property that suffers insured physical damage as follows:

1. The Insured will have full rights to the possession and control of damaged property in the event of insured physical damage to such property provided proper testing is done to show which property is physically damaged.
2. The Insured using reasonable judgment will decide if the physically damaged property can be reprocessed or sold.
3. Property so judged by the Insured to be unfit for reprocessing or selling will not be sold or disposed of except by the Insured, or with the Insured's consent.
4. Any salvage proceeds received will go to the:
 - (a) Underwriters at the time of loss settlement; or
 - (b) Insured if received prior to loss settlement and such proceeds will reduce the amount of loss payable accordingly.

DEBRIS REMOVAL

This Policy covers the reasonable and necessary costs incurred to remove debris from an Insured Location that remains as a direct result of physical loss or damage insured by this Policy.

This Additional Coverage does not cover the costs of removal of:

1. contaminated uninsured property; or
2. the contaminant in or on uninsured property,

whether or not the contamination results from insured physical loss or damage. Contamination includes, but is not limited to, the presence of pollution or hazardous material.

DECONTAMINATION COSTS

If insured property is contaminated as a direct result of physical damage insured by this Policy and there is in force at the time of the loss any law or ordinance regulating contamination, including but not limited to the presence of pollution or hazardous material, then this Policy covers, as a direct result of enforcement of such law or ordinance, the increased cost of decontamination and/or removal of such contaminated insured property in a manner to satisfy such law or ordinance. This Additional Coverage applies only to that part of insured property so contaminated as a direct result of insured physical damage.

The Underwriters are not liable for the costs required for removing contaminated uninsured property nor the contaminant therein or thereon, whether or not the contamination results from an insured event.

DEFERRED PAYMENTS

This Policy covers insured physical loss or damage to Personal Property of the type insured by this Policy sold by the Insured under a conditional sale or trust agreement or any installment or deferred payment plan and after such property has been delivered to the buyer. Coverage is limited to the unpaid balance for such property.

In the event of such loss to property sold under deferred payment plans, the Insured will use all reasonable efforts, including legal action, if necessary, to effect collection of outstanding amounts due or to regain possession of the property.

There is no liability under this Policy for loss:

1. pertaining to products recalled including, but not limited to, the costs to recall, test or to advertise such recall by the Insured.
2. from theft or conversion by the buyer of the property after the buyer has taken possession of such property.
3. to the extent the buyer continues payments.
4. not within the Territory of this Policy.

DEMOLITION AND INCREASED COST OF CONSTRUCTION

1. This Policy covers the reasonable and necessary costs incurred, described in item 3 below, to satisfy the minimum requirements of the enforcement of any law or ordinance regulating the demolition, construction, repair, replacement or use of buildings or structures at an Insured Location, provided:
 - (a) such law or ordinance is in force on the date of insured physical loss or damage; and
 - (b) its enforcement is a direct result of such insured physical loss or damage.
2. This Additional Coverage does not cover loss due to any law or ordinance with which the Insured was required to comply had the loss not occurred.
3. This Additional Coverage, as respects the property insured in item 1 above, covers:
 - (a) the cost to repair or rebuild the physically damaged portion of such property with materials and in a manner to satisfy such law or ordinance; and
 - (b) the cost:
 - (i) to demolish the physically undamaged portion of such Property Insured; and
 - (ii) to rebuild it with materials and in a manner to satisfy such law or ordinance,to the extent that such costs result when the demolition of the physically damaged insured property is required to satisfy such law or ordinance.
4. This Additional Coverage excludes any costs incurred as a direct or indirect result of enforcement of any laws or ordinances regulating any form of contamination including but not limited to the presence

of pollution or hazardous material.

5. The Underwriters' maximum liability for this Additional Coverage at each Insured Location in any Occurrence will not exceed the actual cost incurred in demolishing the physically undamaged portion of the property insured in item 1 above plus the lesser of:

Where the covered loss Occurrence involves more than one insured location or scheduled item of coverage, the liability of the Underwriters for each individually scheduled item of coverage on the latest Statement of Values on file with the Underwriters shall be measured separately and on a per scheduled item basis. Nothing herein requires the Underwriters to utilize the same liability limitation measure, as stated in 2.a to 2.c above, for all insured scheduled items or insured locations involved in any one covered loss Occurrence. The liability limitation measure, as stated in 2.a to 2.c. above, to be used by the Underwriters shall be the measure providing the least amount of coverage for each scheduled item individually. The Underwriters may have no liability after applying the above liability limitation measures, applicable deductible(s) and primary and underlying excess limits.

3. Coverage under this Policy is provided only at the locations shown on the latest Statement of Values on file with the Underwriters or as endorsed on to this Policy. If no value is shown for a scheduled item of coverage on such Statement of Values then there is no coverage for that item.
4. Nothing within this endorsement shall negate or void any coverage as may otherwise exist under the Policy's Errors or Omissions or Miscellaneous Unnamed Location provisions, if any. However, when a sub-limit of liability for Errors or Omissions or Miscellaneous Unnamed Locations is shown in the Policy to which this endorsement is attached, then the liability limitation measure to be used by the Underwriters shall be the least of 2.a. or 2.c. above.
5. To the extent that the Policy to which this endorsement is attached extends coverage for property of the type insured which is rented, leased or purchased by the insured after the inception date of this Policy, then the liability limitation measure to be used by the Underwriters during the period of time in which such property is reported to and agreed upon by the Underwriters shall be the least of 2.a. or 2.c. above.
6. Unless otherwise defined in the Policy to which this endorsement is attached, when the term "Occurrence" is used in this Policy it shall mean the sum of all individual losses or series of individual

POLICY NUMBER: BI 306P558822300

losses resulting from or arising out of and directly occasioned by one insured event regardless of the number of insured locations affected. When the term Occurrence so defined applies to a loss or series of losses from the perils of tornado, cyclone, named storm, named windstorm, windstorm, hail, earthquake, earth movement, volcanic eruption, riot, riot attending a strike, civil commotion and vandalism and malicious mischief, if insured by this Policy, one Occurrence shall be construed to be all losses arising during a continuous period of 72 hours. When filing a proof of loss the insured may elect the moment at which the 72 hour period shall be deemed to have commenced, which shall not be earlier than the first loss to occur at any covered insured location.

All other terms and conditions remain unchanged.

LMA3333**(Re)insurer's liability several not joint**

The liability of a (re)insurer under this contract is several and not joint with other (re)insurers party to this contract. A (re)insurer is liable only for the proportion of liability it has underwritten. A (re)insurer is not jointly liable for the proportion of liability underwritten by any other (re)insurer. Nor is a (re)insurer otherwise responsible for any liability of any other (re)insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by a (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp. This is subject always to the provision concerning "signing" below.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is a (re)insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other (re)insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Proportion of liability

Unless there is "signing" (see below), the proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp and is referred to as its "written line".

Where this contract permits, written lines, or certain written lines, may be adjusted ("signed"). In that case a schedule is to be appended to this contract to show the definitive proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together). A definitive proportion (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of a Lloyd's syndicate taken together) is referred to as a "signed line". The signed lines shown in the schedule will prevail over the written lines unless a proven error in calculation has occurred.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.
