## **IMPORTANT NOTICE TO POLICYHOLDERS TERRORISM RISK INSURANCE ACT**

This Important Notice is being provided with your policy to further satisfy the disclosure requirements of the Terrorism Risk Insurance Act.

At the time you received the written offer for this policy, we provided you with an Important Notice to Policyholders indicating that the insurance provided in your policy for losses caused by certain acts of terrorism (as defined in the Terrorism Risk Insurance Act) would be partially reimbursed by the United States of America, pursuant to the formula set forth in the Terrorism Risk Insurance Act. In addition, as required by the Terrorism Risk Insurance Act, we:

- indicated that we would make available insurance for such losses in the same manner as we provide insurance for other types of losses;
- specified the premium we would charge, if any, for providing such insurance; and
- except to the extent prohibited by law, gave you the opportunity to reject such insurance and have a terrorism exclusion, sublimit or other limitation included in your policy.

This Important Notice refers back to that Important Notice and provides information about your decision and the manner in which your policy has been subsequently modified.

If:

- You rejected terrorism insurance under the Terrorism Risk Insurance Act, your policy includes the appropriate amendatory endorsement(s).
- You did not reject terrorism insurance under the Terrorism Risk Insurance Act, the premium charged for your policy, including that portion applicable to terrorism insurance under the Terrorism Risk Insurance Act, is shown in your policy. To the extent your policy includes a limitation on terrorism insurance, it has been modified so that such limitation does not apply to terrorism insurance under the Terrorism Risk Insurance Act.

Please carefully review your policy and the Important Notice previously provided to you for further details. Please remember that only the terms of your policy establish the scope of your insurance protection.

**Please note that if your policy:**

- ***provides commercial property insurance in a jurisdiction that has a statutory standard fire policy, the premium we charge for terrorism insurance under the Terrorism Risk Insurance Act, includes an amount attributable to the insurance provided pursuant to that standard fire policy. Rejection of such statutory insurance is legally prohibited.***
- ***is a workers compensation policy, rejection of insurance for terrorism is legally prohibited.***

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

***IMPORTANT NOTICE TO POLICYHOLDERS***

**This Important Notice is not your policy. Please read your policy carefully to determine your rights, duties, and what is and what is not covered. Only the provisions of your policy determine the scope of your insurance protection.**

**THIS IMPORTANT NOTICE PROVIDES INFORMATION CONCERNING POSSIBLE IMPACT ON YOUR INSURANCE COVERAGE DUE TO COMPLIANCE WITH APPLICABLE TRADE SANCTION LAWS.**

**PLEASE READ THIS NOTICE CAREFULLY.**

---

Various trade or economic sanctions and other laws or regulations prohibit us from providing insurance in certain circumstances. For example, the United States Treasury Department's Office of Foreign Asset Control (OFAC) administers and enforces economic and trade sanctions and places restrictions on transactions with foreign agents, front organizations, terrorists, terrorists organizations, and narcotic traffickers. OFAC acts pursuant to Executive Orders of the President of the United States and specific legislation, to impose controls on transactions and freeze foreign assets under United States jurisdiction. (To learn more about OFAC, please refer to the United States Treasury's web site at <http://www.treas.gov/ofac>.)

To the extent that you or any other insured, or any person or entity claiming the benefits of this insurance has violated any applicable sanction laws, this insurance will not apply.

We have added a condition or section that applies to the entire policy called Compliance With Applicable Trade Sanctions, which stipulates that your insurance policy does not apply to the extent that trade or economic sanctions or other laws or regulations prohibit us from providing insurance.

## **Contract**

Please read the entire policy carefully. The terms and conditions of this insurance include the various sections of this contract: Coverage; Investigation, Defense And Settlements; Supplementary Payments; Coverage Territory; Who Is An Insured; Limits Of Insurance; When This Excess Follow-Form Insurance Applies; Exclusions; Conditions and Definitions, as well as the Declarations and any Endorsements made a part of this insurance.

Throughout this contract the words "you" and "your" refer to the named **insured** shown in the Declarations. The words "we," "us" and "our" refer to the Company providing this insurance.

Words and phrases that appear in **bold** print have special meanings and are defined in the Definitions section of this contract.

---

### **Coverage/Excess Follow-Form**

Subject to all of the terms and conditions applicable to this insurance, we will pay, on behalf of the **insured**, that part of **loss**, to which this insurance applies, which exceeds the applicable **underlying limits**.

This insurance applies only if the triggering event that must happen during the policy period of the applicable **controlling underlying insurance** happens during the policy period of this insurance.

This insurance will follow the terms and conditions of **controlling underlying insurance**, unless a term or condition contained in this insurance:

- differs from any term or condition contained in the applicable **controlling underlying insurance**; or
- is not contained in the applicable **controlling underlying insurance**.

With respect to such exceptions described above, the terms and conditions contained in this insurance will apply, to the extent that such terms and conditions provide less coverage than the terms and conditions of the applicable **controlling underlying insurance**.

This insurance does not apply to any part of **loss** within **underlying limits**, or any related costs or expenses.

We have no obligation under this insurance with respect to any claim or suit settled without our consent.

The most we will pay hereunder is fixed as set forth in the Limits Of Insurance section of this contract.

Our obligations hereunder end when we have used up the applicable Limits Of Insurance.

Other than as provided under the Investigation, Defense And Settlements and Supplementary Payments sections of this contract, we have no other obligation or liability to pay sums or perform acts or services under this insurance.

---

### **Investigation, Defense And Settlements**

We have no duty to defend any person or organization against any claim or suit.

We may at our discretion participate in the defense, investigation and settlement of any occurrence, offense, claim or suit.

If we choose to participate in the defense of any claim or suit, we will not be obligated to participate in the defense of any person or organization when we have used up the applicable Limits Of Insurance.

The most we will pay hereunder is fixed as set forth in the Limits Of Insurance section of this contract.

---

## **Supplementary Payments**

Subject to all of the terms and conditions of this insurance, with respect to a claim or suit we investigate or settle, we will pay:

- expenses incurred directly by us and at our sole discretion;
- prejudgment interest awarded against the insured on that part of a judgment we pay. If we make an offer to pay the applicable Limits Of Insurance, we will not pay any prejudgment interest based on that period of time after the offer.
- interest on that part of a judgment, to which this insurance applies, that accrues after entry of the judgment and before we have paid, offered to pay or deposited in court the part of the judgment that is within the applicable Limits Of Insurance.

Supplementary Payments does not include any fine or other penalty.

The most we will pay hereunder is fixed as set forth in the Limits Of Insurance section of this contract.

Our obligations hereunder end when we have used up the applicable Limits Of Insurance.

---

## **Coverage Territory**

This insurance applies anywhere that the applicable **controlling underlying insurance** applies.

---

## **Who Is An Insured**

The following persons or organizations qualify as **insureds**:

- the named **insured** shown in the Declarations; and
- other persons or organizations qualifying as an **insured in controlling underlying insurance**, but not beyond the extent of any limitations imposed under any contract or agreement.

---

## **Limits Of Insurance**

The Limits Of Insurance shown in the Declarations and the rules below fix the most we will pay, regardless of the number of:

- **insureds**;
- claims made or suits brought;
- persons or organizations making claims or bringing suits;
- vehicles involved; or
- coverages provided in this contract.

The aggregate limits apply separately to each consecutive annual period and to any remaining period of less than twelve (12) months (starting with the beginning of the policy period shown in the Declarations), provided the applicable aggregate limits in all **underlying insurance** apply in such manner. If the aggregate limits in any **underlying insurance** do not so apply, then the applicable aggregate limits of this insurance will apply to the entire policy period and not separately to any portion (whether annual or otherwise) thereof.

If the policy period is extended after issuance, the additional period will be deemed part of the last preceding period for purposes of determining the Limits Of Insurance.

## **Other Aggregate Limit**

Subject to the Each Occurrence Limit, the Other Aggregate Limit is the most we will pay for the sum of amounts described as reducing Limits Of Insurance of this insurance (see Payments That Reduce The Limits Of Insurance section), except amounts included in the products-completed operations hazard.

## Limits Of Insurance

### Other Aggregate Limit (continued)

However, the Other Aggregate Limit of this policy will:

- not apply when all **underlying insurance** does not apply an aggregate limit; or
- apply in the same manner as the aggregate limit in controlling underlying insurance applies, provided all other **underlying insurance** also applies an aggregate limit in the same manner as **controlling underlying insurance**.

### Products-Completed Operations Aggregate Limit

Subject to the Each Occurrence Limit, the Products-Completed Operations Aggregate Limit is the most we will pay for the sum of amounts described as reducing Limits Of Insurance of this insurance (see Payments That Reduce The Limits Of Insurance section) included in the products-completed operations hazard as defined in **controlling underlying insurance**.

### Each Occurrence Limit

The Each Occurrence Limit is the most we will pay for the sum of amounts described as reducing Limits Of Insurance of this insurance (see Payments That Reduce The Limits Of Insurance section) arising out of any one occurrence, even if such loss is or otherwise would be covered in whole or in part under more than one **underlying insurance** policy.

Any such amounts we pay will reduce the amount of the applicable aggregate limit available for any other payment.

If the applicable aggregate limit has been reduced to an amount that is less than the Each Occurrence Limit, then the remaining amount of such aggregate limit is the most that will be available for any other payment.

### Payments That Reduce The Limits Of Insurance

Any amounts we pay for **loss** will reduce the Limits Of Insurance of this insurance.

Payments that we make under the Supplementary Payments and Investigation, Defense And Settlement sections of this insurance will not reduce the Limits Of Insurance, unless payments for investigation, defense and settlement and supplementary payments reduce the limits of insurance of any applicable **underlying insurance**.

If costs or expenses for supplementary payments and investigation, defense and settlement reduce the limits of insurance of any applicable **underlying insurance**, then any such cost or expenses including supplementary payments to which this insurance applies will reduce the applicable Limits Of Insurance of this insurance.

### When This Excess Follow-Form Insurance Applies

Subject to all of the terms and conditions of this insurance, if the applicable **underlying limits** are:

- reduced by payment of judgments, settlements or related costs or expenses (if such costs or expenses reduce such limits) for triggering events that happen during the policy period of this insurance and provided all **underlying limits** also applies to **loss** and also drops down, then this insurance will drop down to apply in excess of the remaining amount of the applicable **underlying limits**.
- exhausted by payment of judgments, settlements or related costs or expenses (if such costs or expenses reduce such limits) for triggering events that happen during the policy period of this insurance, then this insurance will apply in the same manner as the applicable **controlling underlying insurance** would have applied but for such exhaustion.

If we initiate or participate in an appeal, we will pay our costs of the appeal. But in no case will the amount we pay for **loss** exceed the Limits Of Insurance.

**Bankruptcy**

Bankruptcy or insolvency of the **insured** or of the **insured's** estate will not relieve us of our obligations under this insurance.

**Cancellation**

The first named **insured** may cancel this policy at any time by sending us a written request or by returning the policy and stating when thereafter cancellation is to take effect.

We may cancel this policy at any time by sending to the first named **insured** a notice sixty (60) days, twenty (20) days in the event of non-payment of premium, in advance of the cancellation date. Our notice of cancellation will be mailed to the first named **insured's** last known address and will indicate the date on which coverage is terminated. If notice of cancellation is mailed, proof of mailing will be sufficient proof of notice.

The earned premium will be computed on a pro rata basis. Any unearned premium will be returned as soon as practicable.

**Changes**

This policy can only be changed by a written endorsement that becomes part of this policy. The endorsement must be signed by one of our authorized representatives.

**Compliance By Insureds**

We have no duty to provide coverage under this policy unless you and any other involved **insured** have fully complied with all of the terms and conditions of the policy.

## Conditions

(continued)

### Compliance With Applicable Trade Sanctions

This insurance does not apply to the extent that trade or economic sanctions or other laws or regulations prohibit us from providing insurance.

---

### Conformance

Any terms of this insurance which are in conflict with the applicable statutes of the State or jurisdiction in which this policy is issued are amended to conform to such statutes.

---

### Disclosures And Representations

We have issued this insurance:

- based upon representations you made to us; and
- in reliance upon your representations.

Unintentional failure of an employee of the **insured** to disclose a hazard or other material information will not violate this condition, unless an officer (whether or not an employee) of any **insured** or an officer's designee knows about such hazard or other material information.

---

### Duties In The Event Of Occurrence, Offense, Claim Or Suit

A. You must see to it that we and any insurers of **underlying insurance** are notified as soon as practicable of any occurrence or offense that may result in a claim, if the claim may involve us or other insurers. To the extent possible, notice should include:

1. how, when and where the occurrence or offense happened;
2. the names and addresses of any injured persons and witnesses; and
3. the nature and location of any injury or damage arising out of the occurrence or offense.

Notice of an occurrence or offense is not notice of a claim.

B. If a claim is made or suit is brought against any **insured**, you must:

1. immediately record the specifics of the claim or suit and the date received;
2. notify us and any other insurers as soon as practicable; and
3. see to it that we receive written notice of the claim or suit as soon as practicable.

C. You and any other involved **insured** must:

1. immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;
2. authorize us to obtain records and other information;
3. cooperate with us and any other insurers in the:
  - a. investigation or settlement of the claim; or
  - b. defense against the suit; and
4. assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the **insured** because of loss to which this insurance may also apply.

D. No **insured** will, except at the **insured's** own cost, make any payment, assume any obligation or incur any expense without our consent.

**Conditions*****Duties In The Event Of  
Occurrence, Offense,  
Claim Or Suit  
(continued)***

- E. Notice given by or on behalf of:
1. the **insured**;
  2. the injured person; or
  3. any other claimant;
- to a licensed agent of ours with particulars sufficient to identify the insured shall be deemed notice to us.
- F. Knowledge of an occurrence or offense by an agent or employee of the insured will not constitute knowledge by the **insured**, unless an officer (whether or not an employee) of any **insured** or an officer's designee knows about such occurrence or offense.
- G. Failure of an agent or employee of the **insured**, other than an officer (whether or not an employee) of any **insured** or an officer's designee, to notify us of an occurrence or offense which such person knows about will not affect the insurance afforded to you.
- H. If a claim or loss does not reasonably appear to involve either this insurance or any **underlying insurance**, but it later develops into a claim or loss to which this insurance applies, the failure to report it to us will not violate this condition, provided the **insured** gives us immediate notice as soon as the **insured** is aware that this insurance may apply to such claim or loss.

***First Named Insured***

The person or organization first named in the Declarations is primarily responsible for payment of all premiums. The first named **insured** will act on behalf of all other named **insureds** for the giving and receiving of notice of cancellation or nonrenewal and the receiving of any return premiums that become payable under this policy.

***Inspections And Surveys***

We may:

- make inspections and surveys at any time;
- give you reports on the conditions we find; and
- recommend changes.

Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. We do not warrant that conditions:

- are safe or healthful; or
- comply with laws, regulations, codes or standards.

This condition applies not only to us, but also to any rating, advisory, rate service or similar organization, which makes insurance inspections, surveys, reports or recommendations for us.

***Legal Action Against Us***

No person or organization has a right under this insurance to:

- join us as a party or otherwise bring us into a suit seeking damages from an **insured**; or
- sue us on this insurance unless all of the terms and conditions of this insurance have been fully complied with.

---

## Conditions

### *Legal Action Against Us (continued)*

A person or organization may sue us to recover on an **agreed settlement** or on a final judgment against an **insured** obtained after an actual:

- trial in a civil proceeding; or
- arbitration or other alternative dispute resolution proceeding;

but we will not be liable for any damages, loss, cost or expense that are not payable under the terms and conditions of this insurance, or that are in excess of the applicable Limits Of Insurance.

---

### *Maintenance Of Underlying Insurance And Underlying Limits*

We have issued this insurance in reliance upon representations made by you about **underlying insurance** and **underlying limits**. You must see to it that:

- **underlying insurance** is and remains valid and in full force and effect.
- **underlying insurance** will not be cancelled, non-renewed or rescinded without replacement by coverage to which we agree.
- the terms and conditions of **underlying insurance** will not materially change, unless we agree otherwise.
- the terms and conditions of renewals or replacements of **underlying insurance** will be materially the same as the prior coverage, unless we agree otherwise.
- **underlying limits** are and remain available, regardless of any bankruptcy, insolvency or other financial impairment of any insurer or any other person or organization.
- the **underlying limits** will not be reduced or exhausted, except for the reduction or exhaustion by payment of judgments, settlements or related costs or expenses (if such costs or expenses reduce such limits).

Failure to comply with this condition will not invalidate this insurance. But in the case of any such failure, our obligation or liability will not exceed that which would have applied absent any failure to comply with this condition.

You must notify us as soon as practicable if any **underlying insurance** is no longer valid or in full force or effect.

---

### *Other Insurance*

If other valid and collectible insurance is available to the **insured** for loss that we would otherwise cover under this insurance, our obligations are limited as follows.

- A. This insurance is excess over any insurance affording coverage that this insurance would also afford, whether primary, excess, contingent or on any other basis.
- B. We will pay only our share of the amount of **loss**, if any, that exceeds the sum of the total of:
  - 1. amounts that all other insurance would pay for loss in the absence of this insurance; and
  - 2. all self insured retentions, self insurance, deductible or other mechanisms (including contractual obligations of any person or organization to the **insured**) arranged for the funding of loss.

The insurance or other mechanisms described in subparagraphs A. or B. above does not include **underlying insurance** or insurance negotiated specifically to apply in excess of this insurance.
